IMPORTANT INFORMATION

Check-In Process

Check-In will be on Sunday starting at 2:00pm. Upon arrival, our staff will greet your family and guide you through the check-in and move-in process.

Pick-Up Process

Camper Pick-Up will take place Friday at 11:00am.

Canteen/Spending Money

The Canteen is our camp store that offers a variety of snacks, clothing items, souvenirs, and more. Campers visit the store twice a day and use pre-paid Canteen Cards to purchase items. If you registered online, you may add money to your camper's Canteen account prior to attending camp. Otherwise, please send money with your teen for them to purchase a canteen card at camp. A typical spending amount for a week at camp is \$15-\$30.

Camper Medication

Any required medications should be brought to camp with your child. Our First Aid Office is stocked with over the counter medication (ibuprofen, tylenol, benadryl, etc.), so your child does not need to bring these items unless he/she takes a specific amount each day. In compliance with state regulations, all medications brought to camp (including inhalers) must be in the original prescription container with a physician's directions for dosage. We CANNOT accept unlabeled medication.

Frequently Asked Questions

What if I have to drop my camper off late, or pick them up early?

Late arrival or early pick-up is not recommended and should be considered only in extreme circumstances. If you must arrive late for any reason please call our office in advance so we may prepare for your arrival. Early pick-up should also be arranged in advance.

Can my camper bring their cell phone, ipod, nintendo DS, etc. to camp?

We do NOT allow campers to bring their cell phone or other handheld electronics to camp. We have found that a technology-free policy not only promotes camper safety, but also greatly enhances the overall camp experience. Any cell phones that are found with campers will be confiscated and held in the office until the end of the session.

Can I contact my camper during their week at camp?

You are welcome to send your child mail while at camp! Letters can be mailed to Camp Luther with your child's name and camper group listed in the attention line. Emails can be sent by visiting www.campluther.com/parents. Please be aware that campers are not able to respond to email messages--emails will be printed and distributed on paper. Our last email/mail delivery takes place on Thursday afternoon. We do not allow parents to call campers during their time at camp, except in the case of a family emergency.

What if my child has a food allergy or dietary restriction?

If your child has an allergy or dietary restriction concern that could result in a reaction while at camp, we want our health staff and food service team to be knowledgeable about your child's situation. PLEASE include this information on your Medical Form and communicate with us so that we can provide a positive and safe experience for your child. For more information on menus and managing food restrictions, please contact our Food Service Manager at kitchen@campluther.com or 715-546-3647.

What if my child has special needs or disabilities?

If your child has any special needs or disabilities that could impact their camp experience, please identify this information on your Medical Form and Camper Profile Form and communicate with our Director of Programs, Kardia, to discuss how we can best serve your child during their camp experience. Kardia can be contacted at kardia@campluther.com or 715-546-3647.

What will you do if my child gets sick while at camp?

Ensuring the health and safety of your child while at camp is of utmost importance to us. We have a certified medical professional on site 24/7, as well as a trained Health Care Coordinator. In addition, all of our summer staff are certified in First Aid/CPR. If your child is sick, our health staff will assess the situation and seek to make them as comfortable as possible. If the illness is of a serious nature, we will contact you immediately. If your child needs medical attention, we will contact you as soon as possible to keep you updated on the situation. Being sick is never fun, but it can be worse at camp. In cases of prolonged illness, we will ask that the child be picked up and returned to the comfort of home if they are ill, rather than remaining at camp.

The Fine Print

Deposit and Payment: Camp Luther accepts Visa, MasterCard, and Discover for deposit and balance payments. You may also pay by check. Full payment is due May 1st.

Cancellations: Once you have received confirmation of registration, your deposit is non-refundable. No refunds will be granted within 30 days of your camper session except in cases of illness or injury (with doctor's note), and family emergencies. A pro-rated portion of the registration fee minus your deposit will be refunded if a camper is sent home due to illness or injury. Refunds will not be made for a remaining period of two days or less. If a camper leaves early due to homesickness, disciplinary reasons, or parent request, no refund will be given. All refund requests must be made in writing.

Grade Level Policy: All program grade levels are based on current grade levels for the 2023-2024 school year. For the well-being of the program, campers, and staff, we do not make exceptions for camper grade.

Camper Expectations: It's our goal that everyone who attends Camp Luther is encouraged and strengthened in their faith through authentic community, outstanding staff, experiential activities, and intentional faith building. To ensure a safe and positive environment for every camper, Camp Luther asks that each camper's behavior, speech, and clothing are appropriate for the Christian atmosphere we try to model.

Rules for Acceptance: Camp Luther accepts campers without regard to religion, race, color, national origin, sex, age, or handicap.

Roommate Policy: We do our best to honor all roommate requests, but cannot guarantee them. Please list only one name as a roommate preference, and please make sure that BOTH campers request each other when they register. Roommate requests should only be made between campers who are in the same camp program. PLEASE double check with any potential roommates that your campers are actually signed up for the same housing for the same week.

Housing Policy: Housing options fill up fast, so please register early to ensure you receive your preferred housing. If there are any issues with the housing option you selected, Camp Luther staff will notify you as soon as possible to discuss your options.

Waiting List Policy: Programs at Camp Luther fill fast, so it is important that you register early. If you register for a full program or filled housing option, you will be contacted regarding availability about housing and program options. Camp Luther does not maintain a waitlist so please check for availability frequently as programs may open up again in the future or additional spots made be made available.

Promotional Images: Camp Luther regularly uses photographs and/or video images of camper participants for official Camp Luther promotional purposes including print, internet, social media, video, and other media. While your child's image may be captured, their name will not be shared. If you wish for your child to be excluded, please provide a request in writing along with a photo of your child.
